S.O.A.P. Bible Reading Plan

God's Word is filled with His wisdom for you and your life!

The following reading plan will take you through the bible in a single year. By using a journal and recording your findings using the acrostic, S.O.A.P., you will be surprised at what God will reveal to you and how he will speak to you.

S – Scripture. As you read the passages, pray that the Holy Spirit will cause one verse to stand out for you. Write that verse down at the top of your page. That's the Scripture.

Example: S – *“God comforts us in all our troubles, so that we can comfort others.”*
2 Cor. 1:4

O – Observation. Write down those things you are observing about that particular piece of Scripture.

Example: O – *“God's intention of providing his people with comfort, is so that his people can offer God's comfort to others.”*

A – Application for Life. Ask yourself, ‘How can I apply this piece of Scripture to my life today.’ Write it down.

Example: A – *“Sometimes I feel emotionally dry to the needs of others. I need to allow God to comfort me and soak up his comfort, so that I can become better at comforting to others.”*

P – Prayer. Write a simple prayer based on what you have already written.

Example: P – *“Lord, reveal to me those things that dull my senses to you. Help me to experience your comfort, so that I can comfort others.”*

SCRIPTURE—What word stands out?

APPLY—What does this mean for me?

OBSERVE—What do I see?

PRAYER—Thank you Lord
